

**INTRODUCING SUZUKI
FINANCIAL SERVICES ONLINE**

Suzuki Financial Services Online is the easy way to manage your account online. You can change your correspondence preferences at any time, update your details, access your balance, view your transactions and more. It's just part of our commitment to making life easier for our customers.

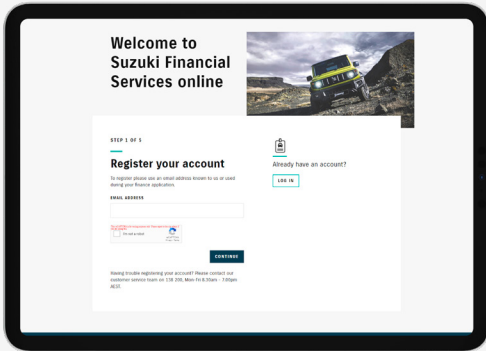

To register your account on the portal, you will need to follow these quick steps:

1. Navigate to the Suzuki Financial Services Online web page **sfonline.com.au**
2. Enter your **Vehicle Registration Number** and **Surname** in the relevant boxes and tick the **“I’m not a robot”** box.

Then click the **“Go to my Portal”** button.

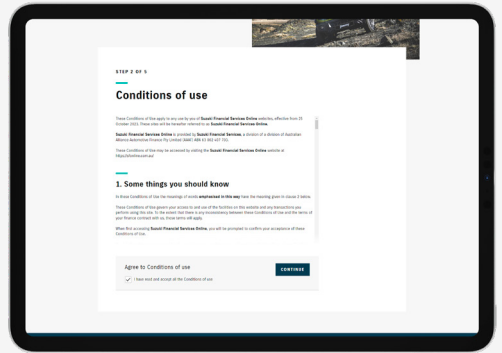

3. You will be taken to the user login page. Under the log in boxes, click on the **“Register Here”** link.

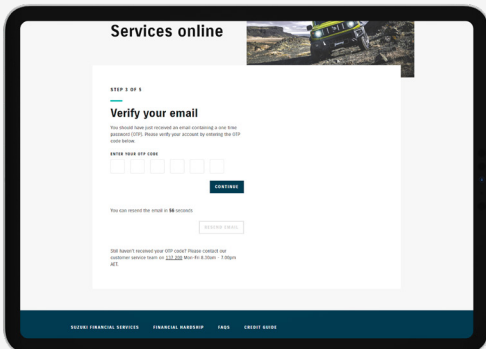

4. Follow the 5-step process to register your account.
You will need to:-

- i. Enter the email address associated with your finance application.

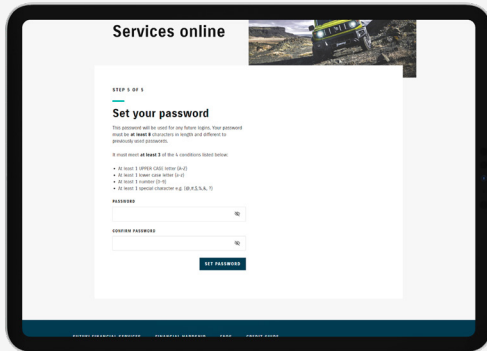

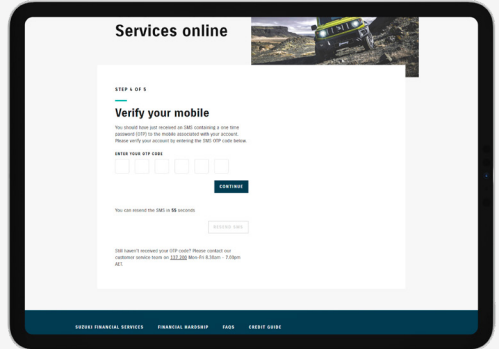

ii. Agree to the Conditions of use to view your account.

iii. Complete the multi-factor authentication via a one-time password which will be sent to your email address.

- iv. Complete the multi-factor authentication via a one-time password which will be sent to your mobile number associated with your finance application.

- v. Set up a password which meets the conditions provided.

Congratulations, your registration is now complete, and you're ready to use Suzuki Financial Services Online to easily manage your account online.
